

REMARKS

Claims 21-29, 31-36, 38-48, 50-55, 57-59, 61, 63, 71-82, and 84-109 are pending in the application. All claims have been finally rejected under 35 U.S.C. § 103(a). The rejections are traversed

The claims have been amended to more clearly recite a portable wireless communications device. Neither Schoolman nor Suzuki are related to portable wireless communications devices. One of ordinary skill in the art would not turn to either Schoolman or Suzuki. The citation of both Schoolman and Suzuki are based on the teachings of the Applicants. Such use of hindsight is improper.

The remaining references cited in the Office Action do not suggest the claimed invention, either alone or in combination.

The amendments to the claims are not an acquiescence to the rejections. The amendments broaden the scope of the claims and place the claims in better form.

Reconsideration of the rejections under 35 U.S.C. § 103(a) is respectfully requested.

CONCLUSION

In view of the above amendments and remarks, it is believed that all claims are in condition for allowance, and it is respectfully requested that the application be passed to issue. If the Examiner feels that a telephone conference would expedite prosecution of this case, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
